

NFDCC 2GUN Match Sunday, September 22nd

NFDCC is a 2gun competitive shooting club that offers a fun, safe environment to test your practical shooting skills. Our matches involve the use of both rifle and pistol with an emphasis on the rifle.

NFDCC has a new home at Bradford Sportsmen's Farm! The same great 2 gun matches will now have the benefits of a longer rifle range and easier range access. Directions and match information will be available on our website and Facebook page. We will have covered areas and coolers available at each stage. Our monthly matches will return to the usual second Sunday of the month in October. **Visit us online at our website and Facebook page for the latest updates and previews of the courses of fire:**
