

**Dear Shooters & Friends**

**To help our customers, we haven't implemented price increases since 2021, even though our operating costs have been increasing every year. For example, our clay target costs have increased 50% in the last two years alone.**

**Due to all of the significant increases in our operating costs, we have made the difficult decision to implement price increases for 2024.**

**Beginning on January 1, 2024 the following prices will take effect:**

**Sporting Clays**

- **Current member rate per target: .45**
- **2024 Member rate per target: .45**
- **Current Non-member rate per target: .55**
- **2024 Non-member rate per target: .60**

**Memberships & Range Fees**

**All memberships will increase \$50.00 per year.**

**The basic rifle & pistol range daily fee will increase from \$20.00 to \$25.00 per person.**

**We thank you for your understanding and support during this change and we promise to continue to deliver great services and a friendly, family environment.**

**Sincerely,  
BSF**
